2010 Girls Fast Pitch Berths to Nationals

Accelerated Travel Teams
(must register online at www.RegisterASA.com)

From the GOLDEN SPIKE INVITATIONAL

1st place Utah Team will receive a direct berth to:

USA/ASA "A" National Championships

10-Under	Aug 1-8	Chattanooga, TN
12-Under	Aug 1-8	Bloomington, IN
14-Under	Aug 1-8	Moline, IL
16-Under	Aug 1-8	College Station, TX
18-Under	Aug 1-8	Hemet-Menifee, CA

If winning teams choose not to use their direct berth the second place Utah Team will then be considered. If the second place team declines the berth, then the berth will move to State Championships and be awarded at the State Championships. The reason for this change is to allow the Utah teams more time to make travel arrangement to attend the USA/ASA "A" National Championships. **Winning a berth at the Golden Spike will not prohibit that team from playing in the State Championships for the State Title.**

From the STATE CHAMPIONSHIPS:
