2010 League By-Laws

I Sportsmanship

Self Explanatory - Coach's are responsible for the conduct of themselves and their team! We are not here to win the World Series, though everyone's goal is to win, the number one reason we are here is to have fun. Anyone removed from one game by a game official or the league director will be suspended for that game and one more full game. Following an ejection, the player will be on probation for the remainder of the season. If removed from a second game, the player will be suspended for the entire season. If a player is ejected that spot in the lineup may be replaced with a substitute. If no player is available to substitute, that spot in the lineup will be an automatic out.

II Uniforms

All teams must have shirts of same color with numbers. For every player that doesn't have a matching shirt with a number it will be a run for the other team. *(No exceptions)*

III Game and League Regulations

- A. ASA rules will govern league play with such modifications as indicated in league by-laws.
- B. Schedule - Lower Division will play on Tuesday nights, Middle Division will play on Monday nights, Upper Division will play on Thursday nights. Double headers will be played.
